FOREWORD

Our Aim:

In the face of war and high prices, and in the face of many difficulties, yet with the guidance of the All-Powerful and the support of the entire school, to put out an Annual of which we can say—

"We have done our best."
Dedication

To

Joseph G. Masters

In appreciation of his unselfish devotion to his work and to the Omaha High School, and as a token of the esteem in which he is held by the class of 1917

THE Freshmen enter school, displaying characteristic confusion of mind. For a time they furnish great amusement for their more sophisticated mates, as they rush madly about the halls in vain efforts to locate elusive classrooms or up the wrong stairs, or are rescued by some friendly janitor from the engine room whither they have strayed in search of the lunch room.

But soon becoming adjusted, they so inconspicuously go their various ways that the haughty Seniors have almost forgotten their existence until the "A" list appears in the papers and they awake with astonishment to the fact that a third of the honor students are Freshmen.

And in the basket-ball tournament, who but these same Freshmen walk off with the inter-class championship?

Second Reel 1914-15 Scene—The Same.

The class returns with some re-enforcements and less publicity. Hair ribbons are going out of style, and long trousers are steadily increasing in popularity.

While serving their sentence as Sophomores, the members of the class distinguish themselves in various ways. Again the class of 1912 has the longest "A" list. In tennis, Margaret Carnaby and Cleary Hannighen carry off the honors while Chuck Morearty and Jesse Patty cover themselves and the class with glory in foot-ball and basket-ball respectively.

Third Reel 1915-16 Scene—No variation.

The illustrious band comes back again to its Alma Mater, full of pep and firmly determined to show the Seniors what can be done. The Seniors certainly are shown! In foot-ball, in basket-ball, and in track, the Juniors win really more than their share of honors. Virginia Greene and Ruth Swenscn are school champions in tennis. The class is well represented in both Glee Clubs, and five of the Masked Marvel octet. so popular in the Road-Show, are Juniors.

Fourth Reel 1916-17 Scene—Unchanged. And now the class of 1917, firmly welded into one harmonious whole in three years of congenial association, proudly assumes its rightful place at the head of the student body. Under its fostering care, there grows up in O. H. S. this year a new School Spirit, deeper, truer, and in every way better than that of former years. To this fine spirit, as well as to the peerless teams and able Coach, is due a vast amount of credit for the winning of the Missouri Valley championship in foot-ball, and for Omaha's splendid showing in basket-ball.

To this same spirit manifested by the Senior leaders, a grateful student body owes the restoration of that coveted privilege, open halls.

Under the most competent of officers, the Cadet Regiment has developed to a high degree of efficiency.

The Road-Show, so capably managed by the Cadet Officers' Club, is unanimously declared a remarkable performance, and its extraordinary financial success makes possible the best Camp in the history of the Regiment.

"When Knights Were Bold." presented by an all-star cast is one of the best Senior plays ever given by O. H. S. students.

A long series of dances, banquets, luncheons, and theater-parties, ending with the Senior Banquet, make the social season a merry and memorable one.

Last of all comes Commencement; and the hearts of the spectators swell with wondering pride as the gray-robed lines file slowly down the long aisles to receive their diplomas, tokens of four years' obligations faithfully met, reminders in years to come of the work and the play, the successes in the class room and on the athletic field, the social good times, the training in right living and true citizenship, and, above all, the blessed friendships of High School Days.

Teachers

MISS JESSIE M. TOWNE

HAROLD R. MULLIGAN

MISS EVA F. O'SULLIVAN
Abbott, Arline—“Doshe”
Browning (2-3-4).

Don’t you feel honored to head this list of Seniors, Arline?

Abramovitz, Nettie
Hawthorne (2-3-4), L. D. G. (3-4), German Club (4), Shakespeare Club.

Nettie was never known to start anything she did not finish.

Alley, William M.—“Bill”

We’ll not mention Lincoln,
That’s too old,
Nor William’s treasuries,
That’s been told,
But on thing sure we’ll
All agree,
A mighty fine man is “Bill”
Alley.

Ambler, Gladys Louise
Hawthorne, Art Society.

Gladys is the first girl in twenty years to be enrolled in our manual training department.

Anderson, Mabel M.
Mabel believes in being seen and not heard. She is also fond of studying “Everyman.”

Backes, Albert C.
Hasn’t time to waste on girls—You’ll find him on the job at the “Y.”
Balbach, Dorothy B.
German Dramatics (1). Senior Vice-President, Register Staff (3), Senior Council, Senior Dramatics, Senior Banquet Committee.

We should always think of Dorothy's romances as "Cases of Beauty and the Beast". Anybody is a Beast who monopolizes her engagements, that is, if he gets ahead of us.

Barnett, Willard
A real friend of many. So quiet he had to quit the band.

Beber, Meyer
A. D. S. (1-2-3-4), Sergeant-at-Arms (3), President (4), Debating Squad (4), Senior Dramatics, Road Show (4).

Meyer is a wonderful student and we can not say enough for his acting.

Bertwell, Helen F.

Helen has a crown finer and more precious than that of any king.

Bessel, Stella

She's A-1, when it comes to monopolizing A's.

Best, J. Warren
Although interested in "gawf", he is quite a follower of one of the Muses. Can you guess which one?
Blodgett, Edna
Edna is as demure and modest as a Puritan Maiden.

Blodgett, Elsie
Elsie and Edna haven't been with us long, but they have won many true friends just the same.

Blumenthal, Esther L.
Hawthorne (3-4), Secretary (4), L. D. G. (3-4).
Her only fault is a strong liking for Latin.

Blumenthal, Sadie
Racquet Club (1), Hawthorne (3-4), L. D. G. (3-4) Secretary (4), Shakespeare Club (4).
A really smart girl. That's enough for one person.

Bohacek, Francis
The man who acts is always winner in the race of life.

Boggs, Esther
Lowell, Reporter (2), Gymnasium Club Reporter (3).
If you have ever been in any class with Esther, you know she can always get the most out of a subject.
Borcherding, Eva V.
A pleasant word, a pleasant smile, a pleasant way.

Bourke, Leonard
Second Lieutenant Co. H, Class Track (3), Vice-President
Student Association (3), Assistant Manager B. B. (4).
A sign that Chuck Morearty is not far away.

about. As fine a fellow as we could wish to know.

Borcherding, Eva V.
A pleasant word, a pleasant smile, a pleasant way.

Bowser, Frederick L.—“Freddie”
Captain Co. H, Road Show (3), Class B. B. (2-3), Latin
Society (2), Second Place Individual Compet (3), Senior

Isn't it strange, how well Fred likes IV Hour Study?

Boyer, William M.—“Bill”
Major III Bat. O. H. S. Road Show (3-4), D. D. A. (1-2-
3-4), Ticket Selling Committee, Senior Play.
At night he dreams of Military tactics and in the day-
time he consults the Manual. That's natural for he greatly
resembles a saber in shape. We bet on Bill in war times.
Brady, Richard R.—"Dick"
Second Lieutenant and (2) (3) Bat., W. D. S. (1), D. D. S. (2-3-4), Treasurer (2), Vice-President (3), President (4), Latin Society (2-3), Debating Squad (6), Glee Club (3), Choral Union (3), Shakespeare Club, Road Show (4), Senior Cap and Gown Committee, Senior Play, Ticket Selling Committee, Senior Dramatics.
Years hence he'll be a world-famed comedian if he keeps up the good work.

Brand, Nola Snowden
Lininger Travel Club (2-3-4), Gymnasium Club (2), Hiking Club (2-1).
A brand that is much in demand.

Secretary, Chairman of Commencement Announcement
Committee, Shakespeare Club President (4), Sergeant-at-
Arms, C. O. C., Vaudeville (3), Committee of the whole
Senior Play.
A finer, all-round fellow does not exist. Frank doesn’t
seem to know that he’s got the right to give demerits.

Carlson, Helen
Helen knew a good thing when she saw it. She came
from Kansas City to graduate with us.

Carmony, Henry
L. D. S. (2-3-4), Sergeant-at-Arms (3), Latin Society (2-3)
Sergeant-at-Arms (3), Glee Club (3), Track (4).
He intends to fight for Uncle Sam. If it came to a show
down, we wouldn’t mind having him on our side ourselves

Carnaby, Margaret E.

A musical genius. One of our nicest girls.

She is building a reputation to be proud of.

We can never say why we love, but only that we love.

Captain and Drum Major, Choral Union, Manager (3), Road Show (3-4), Boys Glee Club, Manager (3), Orchestra (3), Mask Marvel, Manager (3), Minstrel Show, Bachelors Club (4), Senior Play Ticket Selling Committee.

A fair flower of the South land (south side), who is always in a hurry.

Clement, Charles T.

Trouble is a little thing for Clement because he always knows how to get out of it.

D. D. S. (1-2), Senior Play Committee, Executive Committee C. O. C., Road Show (4), Shakespeare Club, Captain Ticket Selling Team C. O. C., Road Show (4).
Ege doesn't need the consent of the Senior Class to carry a motion. Well, the Senior Class should worry, it's more than satisfied with the president.

The Student Council

The Student Council is not a very old organization, but it is very useful. It brings about a closer relation between the teachers and the students. We do not always realize what good friends we have in the faculty. In a body in which every class is represented we can have democracy especially since the student bodies elect half of the members. This Council is not a legislative body, but merely a Medium between the faculty and the students.

This year we had but few meetings, but in these few, we accomplished quite large things. It was partly thru this body that we got open halls. The Senior Council and Student Council combined tried to suppress all the undesirable things that caused the halls to be closed between 8:30 and 9:00 o’clock. For the last month of school we have had open halls and I believe that every one thinks that they have been a success.

We hope that this body can continue thru high school and always be a great help.

WHY mention the Junior Class? Can it be possible that every one has not heard of our world-wide fame? The Juniors are taking a prominent part in all of the school activities. They are accomplishing something too. But we have really just started. For three long years we have been waiting patiently for the time when we could be Seniors and run everything. Next year we will have that chance and we are going to show what we really can accomplish. We Juniors are full of pep, which means 1918 is going to be the most prosperous year the O. H. S. has ever known.

We believe in preparedness. Therefore, we have taken it upon ourselves to issue, for the first time, a Junior Number of the Register with Daniel Longwell as Editor-in-Chief and Clara McAdams as Assistant Editor. We are sure you will all agree that our number was a success. Now we have an idea of the work involved in running the school paper and will be prepared to make a most successful Register of it. If you believe we haven't enough talent to keep it going all year, just look in the list of A's. Although none of us have had the honor of receiving six A's, some of us are in the list of five A's.

The success of next year's dramatics is assured. Enough Juniors won fame in the Road-Show this year to guarantee a splendid Road-Show next year. Our Senior play will undoubtedly have an all-star cast. The Juniors in the boys' and girls' Glee Clubs have been showing extraordinary talent. Two of the boys in the Glee Club quartet are Juniors.

We defeated all class committees in the ticket selling contest for the Road-Show. Dearmont won undivided honors by selling more tickets than any other man in the school and one of the Junior Committees composed of Dearmont, McCoun and Olson, sold more tickets than any other one committee.

What is of more credit to a school, than a well drilled and disciplined regiment? Although the Juniors now can be only non-commissioned officers, we know that next year our cadets will be fully capable of filling the positions of the retiring commissioned officers.

In debating too, we have made a name. Owing to the work of the Captain, Sol Rosenblatt, we defeated South High for the first time in nine years. Sol also won second place in the state debating tournament.

Our showing on the football field was exceptionally good. Paynter and Smith were heroes of many a scrimmage. Smith, Paynter and Logan received high honors in basket-ball and our team won the inter-class championship. If the old saying "practice makes perfect" is true, we certainly will be victorious next year. But as no class can expect to take all the honors, we cannot feel very bad because our girls' basket-ball team this year has not won their championship. They have the true Junior spirit, however, and next year's Senior team will no doubt be heard from.

Now we have given you an idea of what we have done and what we intend to do. We think you will agree that we do not believe in sitting back and letting the other class do the work and get all the honors.

A. M. W., '18.
EARILY he left the office of the editor to hie himself to the abode of Jupiter, the ever Wise One, to secure some material for the Sophomore class write-up. He was directed to the golden stairs which enabled him to ascend to the domain of the Almighty.

After a hard and tedious climb, he at last reached Jupiter's palace, where with fast beating heart and unsteady knees, he knocked at the gate. He was admitted by a beautiful maiden.

"Aha! thought the youth, this is a better reception than I expected. When he was brought before Jupiter he fell on his knees before the god's immortal gaze. Jupiter, bidding him arise and come forward, demanded his mission.

"Oh, mighty Jupiter!" he began, "I have come to you for the purpose of obtaining some material for a little class write-up."

"Ah!" said Jupiter, "I can but bring the events of the past year back to your neglected memory."

(The following conversation took place between them.)

**Jupiter:** Well, was your class well represented on the foot-ball team?

**Youth:** Why, certainly! We had a number of good fellows on the team this year.

**Jupiter:** Were there any members of the Sophomore class on the debating squad?

**Youth:** Oh, to be sure! Everyone knows our champ Sophomore debator. He is very good in his rebuttals.

**Jupiter:** How did you come out in class basket-ball?

**Youth:** Truthfully saying, Jupiter, old man, we lacked the punch in basket-ball. But it was no fault of the members of our team that we fell down.

**Jupiter:** Are you to be well represented in track?

**Youth:** Yes, we hope to win the class track and also send some sophs to the State Meet.

**Jupiter:** Did you have many on the list of "A's"?

**Youth:** Why yes. Now you mention it I know we had a good number on the list.

**Jupiter:** Do you stand high in the Cadet Regiment?

**Youth:** Oh, you know we are only eligible for Sophomore officers now. But say, Jup, when the Juniors leave their offices vacant, it wouldn't be hard to find as good, if not better, men for their positions.

**Jupiter:** How do the girls uphold the class?

**Youth:** Fine! Ask the observing ones whom the Seniors sought to get acquainted with during the Get Acquainted Week. Many of them also belong to the different girls' societies.

**Jupiter:** Lastly, what do the Sophomores think of the class of 1919?

**Youth:** We really think that we can compare with any other Sompomore classes and we hope that when we have finished our Junior and Senior years, O. H. S. will point as proudly to us as we shall to it.

Immediately Jupiter and his throne disappeared, leaving the youth to make his way to the earth, satisfied with the record his classmates had made.

H. M., '19.
We are Freshmen, yes, just Freshmen. The name that sounds so small to the upper classmen. But does it sound small to us?

Previous to entering the High School, the Freshman has many ideas which he intends to carry out, especially in two branches of work, which are debate and athletics. These two lines of work are known the most to outsiders. The Freshman as a rule fails to make either team at his first attempt, although he receives a good deal of experience from one or the other.

In his second attempt, he uses all of the experience which he received at first, then if he doesn't land the goods, he is pretty close on deck.

The Seniors, Juniors and Sophomores at one time were Freshmen. They know how embarrassed the poor little Freshman is, when he walks up the girls' stairs, or drops his plate of food on the floor of the lunch room.

Outside of these small incidents, we should be honored for our good support to the school. If there is a debate, you will find plenty of Freshmen there boosting for the team. When there is a foot-ball game, the Freshmen will always be seen waving the banners.

As students, the Freshmen, are seen several times on the "A" list, and thus set their aim high, from the very start.

The Freshmen basket-ball team didn't finish first this year, but it gave all the others a good romp. If they wanted to defeat the Freshmen, they had to fight some. The Juniors will tell you that. We were fortunate to have so good a coach as Mr. Cairns to lead the team this year, and we hope to have him coach our team next year, when we shall represent the Sophomore team.

Our class is well represented in Glee Club this year. Art Paynter showed his ability as a singer, when he sang a solo before a large audience in the play, "The Breeze from Dixie."

In the regiment, we also shine. Alexander is always wearing the bronze medal.

Many of the Freshmen girls expect to turn out for tennis, when the tournament begins, and we hope they are capable of carrying off the honors.

Our Freshmen year has seemed long and full of events. But now we have our start, and we can gradually climb, step by step, until we have reached the top, our Senior year, the banner class, the class of 1920.

The REGIMENT
HERE is no officer nor man in the regiment who can look back over the year's work without a feeling of regret and pride. Regret, in that the year has passed so swiftly and terminated our accomplishments along regimental lines. Pride, that we have done so well in the face of many unforeseen obstacles.

In the first place, we started out with one of the most finely balanced organizations that the school has known for some time. Every man was well fitted for his position and had a determination to do all he could, no matter what his rank might be. Mr. Gulgard, acting as commandant, soon had things working in fine order, systematically and accurately. Then came our first slight set back, due to the reinstatement of Lieutenant Col. Elsasser. This was but temporary, however, since the reorganization, which necessarily took place was soon accomplished by means of the invaluable ability of the Colonel. Things were once more going smoothly and our drill standard was at its highest when, unluckily, Colonel Elsasser was called to the colors by the approaching war menace.

Mr. Gulgard once more took charge and is even now doing his utmost to make the remainder of the drill year a success and the camp a true military affair.

Besides the changing of commandants, other grievances have been prevalent. Many men and even some commissioned officers have deemed it their duty to aid our flag, by going to farms and doing their bit in that manner. This has, naturally, decreased our members. Rifle practice has also cut down our total since it has been a new feature in our work and is not well organized as yet. It is assured that this part of the work will be very successful next year.

The true success of our body has been due, principally, to the spirit of cooperation, good will, and earnest effort set forth by both officers and men. Many Juniors and Seniors have even gone so far as to take part, one night a week, in a voluntary drill, in order that they might learn a few fundamentals not easily grasped in the regular drill.

Now comes the time when we are looking forward to the great event of the year, camp. Owing to the heavy expense of the year, it was necessary to provide a fund to balance the camp payment without additional expense to the individual cadet. We accomplished this thru our "Road-Show." Nothing now blocks our way. A fine site, Gilmore, Nebraska, has been selected and now with the true feeling of military training and discipline uppermost in our minds, we are looking forward to closing the year with one of the cleanest, best organized, and most successful camps that O. H. S. has ever turned out and to leaving some ideas which may develop into great accomplishment in next year's regiment.

ATHLETICS
COACH HAROLD R. MULLIGAN

MR. C. A. CAIRNS
Faculty Member of Athletic Board
MR. MULLIGAN has become an absolute necessity in O. H. S. As
coach, teacher, coach of the senior play, and as an all round good
fellow and friend he has, in the two years he has been with us, become
a man without whom we believe O. H. S. could not live happily. We have
had a foot-ball team that has seldom been equalled in O. H. S., an excellent
basket-ball team, and a track team in spite of the fact that some of his
best men left to serve Uncle Sam. The Senior Play was another evidence of
Mr. Mulligan's ability.

MR. CAIRNS

As faculty member of the athletic board, Mr. Cairns made a fine reputa-
tion. The school has found in Mr. Cairns a man of action who makes every
move count for the success of athletics in O. H. S.

ATHLETIC MANAGERS

Eugene Russum made a name for himself as student manager of foot-ball.
Things really hummed under "Gene's" guiding hand.

Charles Morearty found his hands full with the management of basket-
ball. Be it known that "Chuck" accomplished this in a way which reflected
credit on himself as well as on O. H. S.

Cleary Hannighen filled a new position as manager of Tennis. Cleary is
a real shark at the game and certainly proved that he was the man for the job.

MR. SPINNING

Mr. Spinning found a real task in base-ball this year. Uncle Sam, or
rather the Kaiser, was in a large way responsible for this. The fact that the
team was not what it has been in former years was surely not the fault of Mr.
Spinning.

CLEARY HANNIGHEN

FOOTBALL this year has surely brought back to the coach the returns of good building. For the last two years, Mr. Mulligan has been building up the foundation for a strong football team. His hard work is at last realized. Our team this year is one that you and I may well remember. The work accomplished by the “Gang” this year will be remembered long years from now. We are again the Missouri Valley Champions. This is the second time in the history of the school that this great honor has been attained. Then again we are the State Champions. Although we have really held this honor before, still it feels good to get a taste of victory again. But the best part of it all is that all the good men are not going to leave us yet. We will have back next year most of the men who helped so much to bring about this year’s achievements.

THE TEAM

MOREARTY—“Mory.”

Our captain. He stands out as one of the greatest of the school’s great athletes. Mory has rabbit blood in his veins. Great things will be heard from Mory after he gets into college.

SMITH—“Smede.”

I’d sure hate to play against the smith. Hard, low, and fast are the three most fitting adjectives I know of that fit him. —No, there is one more: NERVY.

MAXWELL—“Heavy.”

A game and fast little quarterback. His noodle seems to work over time. To those of you who do not know him, I say “Wait until next year.”

PEARSON—“Hap.”

“T ank he bane some end, py golly.” “Hap” can catch ’em high or low—any old way.

PETERSON—“Pete.”

His head is hard. Ask Lincoln, they know. Don’t ask his teachers, they do not know.

SHEPHARD—“Shep.”

Old man Shephard is sure there and we kin prove it. When he runs with the ball, yards are reduced to inches.

KROGH—“Old Man Krogh.”

When we lost “Daddy” Beard, there was a big hole left at center. Krogh filled it.

IVERSON—“Irish.”

He sure is there when it comes to football.

HARPER—“Harp.”

Harper is a comer. In another year or two, he will be the best back in the state.

HINCHLEY—(He aint got none)

He helped to make a line that was able to hold Lincoln—and that is sure going some.

PHILLIPS—“Limp.”

Here is the exception to the rule: the bigger they are, the harder they fall.

PAYNTER—“Just Floyd.”

He claimed that he dreamed he was going to make that touchdown on Lincoln. I sure wish the rest of the bunch would take to dreaming a little more.

HALLER—

Another year or two will make a world beater out of him.

COMP—“Owen”

“There was a MAN.”

RUSSUM—Eugene.

The manager of the team will sure get his reward in heaven, ’cause he doesn’t get much here.

Basketball

Basket-ball, this year, produced a steady, smooth, and well-balanced machine. There was no individual star simply because the team was composed of nothing but stars. We won all but two games, and these were alarmingly close.

The Schedule:

Omaha 27, Commerce 9
Omaha 18, Lincoln 12
Omaha 37, Jefferson 20
Omaha 20, Ft. Dodge 22
Omaha 18, Lincoln 23

Omaha 15, University Place 14
Omaha 20, South High 18
Omaha 17, Boone 10
Omaha 51, Beatrice 6

The tournament was held, as usual, at Lincoln. We sent down one of the best teams we have ever sent. The whole team was composed of men who had had more than one year of experience on the team. We managed to draw a place on the opposite side of the drawings from Lincoln. Our first game was played against Nebraska City. The way the "gang" shot baskets made some of those out-of-town-men look up. We took their measure of about 20 feet, 3 inches. Stanton was the next on our waiting list, and they did not wait in vain for we trimmed 'em up 13 to 8. Fremont was the next one to take the plunge. Fremont came too near to giving us a ducking ourselves to talk much. We crept out with the favorite side of a 12 to 8 score. Columbus, next, took to crossing their Rubicon. You see, the team got so tired shooting baskets that in the evening, when they met Lincoln, they were tired out. Now if that isn't a good alibi, I never saw one. But we must hand it to Lincoln. They sure had the goods and they delivered it too. We were beaten in a hot game for the title at the speed of 17 to 12. On the whole, our team did real well, and we are sure proud of it. Just wait until that tournament is played at some place other than Lincoln, and then there will be another tale to tell. Anyhow, we'll beat 'em next year.

The tournament games were as follows:

1. Omaha 23....................... Nebr. City 0
2. Omaha 13....................... Stanton 8
3. Omaha 12....................... Fremont 8
4. Omaha 22....................... Columbus 9
5. Omaha 12....................... Lincoln 17

THE TEAM

PATTY—"Fatima."
Patty, the captain of the team, is one of the most sensational players in the state.

MAXWELL—"Heavy."
Gene is a fast man on the basket-ball floor; and when he gets within sight of a basket, it is a goer.

SMITH—"Smede."
Smitty is a demon in basket-ball. If by chance you fail to believe me, watch him next year and then judge for yourself.

PAYNTER—"Floyd."
Paynter has been conceded to be all-state center for the last two years. There is only one drawback to Paynter's playing and that is Physics 1.

KONECKY—"Short."
Oh that's all right, he'll stop 'em.

LOGAN—"Turk."
The training on the border sure put Turk in the pink of condition.

KLEPSER—"Young."
Little-fast-hard.
Inter-Class Basketball

"We won by golly, we won by golly, we won by golly, we won by golly, we won."
—Junior Chant of Victory.

This is the first time for many years that the interclass basketball series has had a full page in the annual for themselves. This being the known effect, there can be but one cause and that is that this year's series was by far the best of any year preceding. Every year, after the foot-ball togs are laid away to rest, a little army descends upon the "Y" gymnasium and starts to make fame for themselves on the basket-ball court. Since a basketball team can utilize but five men it stands to reason, that only a dozen or so hopefuls can get their due share of fame on the "big" team, and thus the interclass series. This year's series did more, however, than give popularity to the excess devotees of the indoor sport. It developed school spirit out of the fierce interclass competition, gave the coach material to strengthen his first team with, and developed material for coming years.

For some reason the students and the players took more interest in the league than ever before; so the athletic board realized that to make the year the success that it promised to be all the games would have to be played as preliminaries to the first team games, this being a marked advantage to the series heretofore which had to be played anywhere that a court might be obtained, and as a result the attendance was rather lax at some contests. But this year there was a full attendance at all times and the class spirit, especially of the upper classmen, was such as to create small riots which were quieted only by the utmost vigilance of Mr. Bexton.

As we all know, the Juniors won the series by defeating the Seniors in a thrilling championship contest. The hard fighting Freshman team won third honors, and the Sophs, as is the chronic sad plight of the Sophs, garnered the cellar position. All due credit must be given the star seniors, the scrappy freshmen, and the plucky, unlucky sophs but it must be admitted that the juniors were the pucky, hard fighting, hard winning team of the year. Of course, they had the proverbial Junior spirit behind them, and an undefeated coach in Mr. Spinning, and a well organized team, but their trump card was one small person by the name of Captain Austin Smith. Smith was the star of the league, with no exceptions, and a player who will make his brother Clyde fight for his laurels next year. Instead of boring you with any other excess praise, we present what we think to be the all-star team of the series.

Austin Smith, '18, Forward. Captain has the deadliest eye for baskets of any man in the school.

Willard Usher, '17, Forward. Bill is the scrappiest man going, nuff said.

JUNIOR BASKETBALL TEAM

SENIOR BASKETBALL TEAM
Although we hear only the praises of the Boys' Athletics sung, the girls are not far behind them in practically all of their feats.

The series of basket-ball games ended in a championship for the Senior team. This is the second year which the Seniors have held the championship since they also held it in 1916 when they were Juniors.

The lineup is as follows:

<table>
<thead>
<tr>
<th>Position</th>
<th>Player</th>
<th>Position</th>
<th>Player</th>
</tr>
</thead>
<tbody>
<tr>
<td>R. Forward</td>
<td>Ruby Swenson</td>
<td>Left Forward</td>
<td>Isabell Pearsall</td>
</tr>
<tr>
<td>Center</td>
<td>Ruth Swenson</td>
<td>Left Guard</td>
<td>Mary Redgwick</td>
</tr>
<tr>
<td>Side Center</td>
<td>Leta Carter</td>
<td>Right Guard</td>
<td>Marie Thompson</td>
</tr>
</tbody>
</table>

Each member of this team has a certain characteristic which cannot be beaten.

Ruby Swenson is a shark at throwing baskets. Ruth Swenson's jumping ability makes up for her height. The quick foot work is done by Leta Carter. "Pep"—oh so much pep is Isabell Pearsall. Mary Redgwick sticks so close to forward that you can't pull her away. Miss Duke is the coach for this victorious team. Miss Dumont says, "They're the noisiest, most enthusiastic youngsters we've had." You would know that this is indeed true if you ever attended one of their games.

The Junior, Sophomore, and Freshmen teams are also very good and by keeping up their good work, they can surely hope for a championship team in their Senior year if not before.

A very novel feature was given by the Gymnasium classes on Friday, May 5th, in the High School Auditorium. The program consisted of various dances and drills. A May-pole fete was also given.

The Girls' Racquet Club expects an exciting spring tournament and (as from Z. S.—Reporter) judging from the number of entries, many girls are showing a great deal of interest in tennis this year. The contest will be especially interesting because of the number of seniors who will play for the last time in the High School Tournament.

The winner of the Fall tournament was Ruby Swenson, who won by defeating her sister Ruth in the finals. Ruby will defend her title this spring. The prospects are that she will meet Ruth Swenson again, Virginia Greene or Elfrieda Schafer.

The Girls are showing a lot of spirit this year in athletics and the boys' new tennis organization will have to go some to keep up with them.

H. F. B., '17.
Track

When it comes to track, we simply say it was a case of too much war and that is no joke. Mr. Mulligan tried to hold the team together, but as quick as he got a man trained for an event, the man quit school and joined the army. At that we managed to take second place in the state meet at Lincoln. The Missouri Valley Meet was called off because of the war.

INTER-CLASS MEET

The Inter-Class meet was held as usual on Friday, May 17. The meet brought forth no great surprises. The Sophomores won the meet by the small margin of one point. The Juniors were second, the Seniors third, and the mighty Freshmen last.

Dave Noble, a Sophomore, made the high individual record of twenty points. Owen Comp was second.

THE STATE MEET

Although we sent a green team to Lincoln to take part in this meet, still we managed to win second place. This meet brought forth a great many surprises in the way of stars. Much to our great astonishment, Dave Noble won the high jump, the hundred yard dash, and placed in several other events. In Dave the school will find out, next year, that it has one of the finest athletes it ever had. Maxwell and Downs were the other star men in this meet. This may seem like sour grapes, but had Morearty been in that meet, Gothenberg would not have come within a mile of our score. Oh well, we beat Lincoln.
The kaiser sure is responsible for a lot of disasters. He is the main cause for breaking up our ball team. We started out to win another schedule full of games, when all the men thought they ought to go to war, and so there you are. A very few games were played in the early part of the season. Coach Spinning worked up a formidable looking squad before the worst happened. Wolfe, Carson, Keiner, and Briggs were among the stars of our team to have been. The coach has not given up all hope and is still working hard, trying to hold nine men together, but as the best men have left, it does not look as though we were setting out on another championship year. Oh, well, let's do it next year.
HIGH SCHOOL TENNIS for boys took a little spurt this year. It must be admitted that for the last three years, tennis has been dead, so far as the boys are concerned. Not a tournament, not a match has lightened the existence of the great number of keen followers of the game. So last fall when a tournament was run off, it was conceded that tennis had taken a considerable spurt. Cleary Hanighen won the tournament by defeating Bryce Crawford in the final round, while Will Nicholson and Robert Buckingham showed up as semi-finalists. But the acceleration was in evidence not only in the tournament. For a real live tennis team was being nursed into existence. Cleary Hanighen and Bryce Crawford were the team. But alas! no accommodating High School appeared to oppose our gallant warriors and the likelihood of such a match at this date is very doubtful. This spring, another tournament was started, but for the most part on account of the rainy weather, it has not been finished. So there is our tennis record for the year. If it has done nothing else, it has brought forward several players who show much promise. Here they are: Buckingham, Nicholson, H. Green, J. Jordon, A. Jeffries, Adams and Mayer. Before closing it is well to stress several things which are needed to boost tennis. First of all, there should be a set of good courts. If that were the case, no coaxing would be necessary. A crop of fine players would immediately spring up. But since this is not yet possible, another point should be brought out. Something besides a regulation tournament should be started for the younger and the inferior players. The four or five who star in the semi-finals are not going to boost the game sufficiently. It is the great body of players who do not star that forms the nucleus of tennis in the school. They should be encouraged by some sort of tournament especially suited for them.

Next year with tennis under the enterprising care of the present Juniors we expect to see a live and enthusiastic tennis spirit abroad in O. H. S.
Student Association

The Student’s Association had a very successful year. There were over a thousand members, as compared to 758 of last year. The annual election was held with the following results:

Clarence Moore .................. President
Sol Rosenblatt .................. Vice-President
Isabel Pearsall .................. Secretary
James Williamson ................ Reception Chairman
Bernie Holmquist ................ Advertising Manager
Charles Morearty ................. Student Members of
Frank Campbell .................. Athletic Board

A series of Mass Meetings produced wonderful attendance at the football and basket-ball games and at the debates. A good team needs good school spirit behind it to spur it on to victory, and our foot-ball team, good as it was, might not have won the Missouri Valley Championship, had it not been that there was a larger attendance at every game than ever before. Our basketball team also was a winning one, and was defeated in the tournament only by our old rival, Lincoln. Every home game was attended by a large crowd; every home game but one was won by our team. Who says that school spirit doesn’t help? The attendance at the debates was also encouraging. Everyone knows what a fine team we had and how successful it was and the fact, that they knew the whole student body was for ’em must have been a help to our debaters. The Student Association officers conducted a Mass Meeting in the auditorium to arouse enthusiasm over the possibility or impossibility of this annual. Pleading addresses to the students were made by those most closely concerned with the annual, and as a result, sufficient number of ads were turned in to make this annual a reality. It is hoped that the student’s association will always be as successful as it has been this year and, if possible, even more so.
The image contains a page from a school's annual publication, featuring a photograph of the Debating Team for the year 1916-17. The names of the team members are as follows:

SOL. ROSENBLATT 
HERLUF OLSON

MISS EMILY ROUGH

MAX KONECKY
LOUIS FREIBURG
PROSPECTS did not look very brilliant for the debaters at the beginning of the year. There was but one veteran left from last year and a new debating coach, Miss Emily Rough, came to us. However, this year has been marked with great success. What with excellent coaching and interest of the squad a very fine team has been developed.

The first test of the year came when Omaha engaged Sioux City, Iowa, in a dual debate, on December 12th, 1916. The question was stated; Resolved, "That the United States should abandon the Monroe Doctrine." The debaters were Ralph Kharas, Earl Lowe, and Max Konecky, with Abe Lack as alternate. Although we lost that debate by a decision of two to one, our home team evened up matters by defeating them with a unanimous decision the last time. Our home team upheld the affirmative of the same question. The men on the home team were Herlufl Olsen, Louis Freiber and Sol Rosenblatt. Ralph Cohn was alternate. Sol Rosenblatt and Max Konecky, the captain of the visiting team, starred for Central in these debates.

The first debate, and the most significant for the championship of the District, was against South Omaha, our ancient enemy. This was on February 9th, 1917. Omaha defended the negative of the Monroe Doctrine question. For the first time in ten years, much to the sorrow, discomfiture, and displeasure of the Southsides, we won by a unanimous vote. This time Sol Rosenblatt, Max Konecky, and Louis Freiber debated. Herlufl Olsen acted as alternate.

On Friday, March 9th, 1917, the team again showed its colors and eligibility for the championship. We got another unanimous decision in our favor this time. It seems to be getting a habit with our team. About the same time our basket-ball team was defeating Columbus, the debaters were walking away with the Springfield High School. Olsen, Konecky, and Rosenblatt represented Omaha. Freiberg was on the firing line as alternate.

The next debate on March 21st, 1917, was with another foe, whom we thoroughly enjoy beating, Lincoln. The state question was again used and Olsen, Konecky, and Rosenblatt debated. Louis Freiberg was alternate. This combination showed real power in their work and displayed sterling qualities. Our own auditorium was the scene of the battle and there were many Lincoln spectators here to see us defeated, but not so. The decision was again unanimous for us. Max Konecky's good refutation work won this debate. This victory allowed us to retain the Amherst cup which we have won once before. To retain it permanently, we must win it three times. There is little doubt that we will take it again next year, as we lose no boys on the team because of graduation and the same boys that won it this year will win it again. We hope so at least.
The championship debate of the District came on May 4th, and we won. This time the decision was two to one. Konecky, Rosenblatt, Freiberg debated this time.

The second team has a list of fine men who will soon be winning titles for themselves and the school. They are, Ralph Kharas, Ralph Cohn, Meyer Beber, Earl Lowe, Abe Lack, Richard Brady, Max Fleishman, and Gordon McCaulay. Ralph Cohn is their captain. This team is of invaluable service to the first team. Practice debates are often staged between them, which gives the first team much practice in refutation work. They are very interested and we'll hear from them later.

Through enthusiasm, high pressure, and concentration the first team has emerged with great credit—equal to any team sent against them this year, or in recent years. Ease, poise, and self-mastery under disconcerting fire are some of their many qualities developed by this year’s training.

It was decided by the coach and the members of the team, to send Sol Rosenblatt to represent us at the State championship debate, which took place at Lincoln the latter part of May. Our captain took second place. We’re proud of you, Sol.

Thanks are due to Mr. Masters, Mr. Woolery, and Miss Lane who gave very helpful suggestions, and especially to Miss Rough, to whose coaching our success is due.

NEW organization but one that is already well known in the school is the Bachelors' Club. It was organized in the fall by thirteen Seniors whose desire it was to boost O. H. S. and at the same time to stand or all for which the honor club of the school should stand. It was a committee of Bachelors that got rid of the stink-bomb nuisance, which led to the regaining of the privilege of open halls. In the latter part of the year it obtained recognition from the faculty. For the future we will say, "Watch the Bachelors." As long as they exist old Omaha High School will not lack at least fifteen good boosters.

The Senior Play of the class of nineteen-seventeen given May 25, 1917, will long be remembered by all who saw it. It was so new, so different from those of former years, that it made a decided hit with the audience. It was a play requiring types, and somehow the patient committee were able to find people exactly suited to the parts they played.

The play was so successful and all took their parts so well, that it would be hard to pick out those who merit special praise. Leonard Woollen, as leading man, was exceptionally good and he won the sympathy of his twentieth century audience when he refused to give up modern ideas. Alice Stone, as the leading lady, was splendid, especially in the way she kept the audience in suspense for fear she would fall into Mr. Isaacson's trap. Jay Burns was a typical villain and polished gentleman at the same time. Ben Stern, as Mr. Isaacson, and Izma Lucker, as Sara, his daughter, caused many a thrill in their eloquent plea for mercy in the second act. Richard Brady, as the fool, kept the house in great merriment. Cleary Hanighen needs no reference for a position as butler in the best of Newport homes. Isabel Pearsall was as irresistible as only Isabel can be. Thomas Coll, as the Vicar of Birchwood, was unusually good and Charliene Johnston, as Rowena’s Aunt, acted her part to perfection. Meyer Beber was a typical valet. Dorothy Hitchen, Dorothy Balbach and Dorothy Hippe, as the Dean’s daughters, made a very pretty tableau in the first act.

For the benefit of those who did not see the play, it might be well to give a short sketch of it. Guy de Vere, who has just come into possession of his title, and the de Vere estates, is giving a little house party when his guests are
his cousin, the Lady Rowena with whom he is in love; Lady Rowena's aunt, the Hon. Mrs. Waldegrave; the Vicar of Beechwood and his three daughters, Millicent, Marjorie and little "Katie;" Isaac Issacson and his daughter Sara; Mr. Widdecomb and an Irish fortune-hunter whom Mr. Issacson has introduced. In the first act Sir Brian is caught cheating at cards by Mr. Widdecomb, but nothing is said. Sir Guy, who has caught a severe cold, amuses himself with the Dean’s daughters for awhile. Mr. Issacson reveals to the Dean a plot to marry the Lady Rowena to Sir Brian and thus leave Sir Guy for his own daughter, Sara. The Dean promises to aid him after he has promised to restore an old Abbey in which the Dean is much interested. Sir Guy tells Lady Rowena how fond he is of her and she admits that Sir Brian is paying her attention. She continually laments the fact that Sir Guy is so modern. Sir Guy is left alone in the drawing room where he falls to sleep. In the second act, Sir Guy dreams he is back in the middle ages. The Lady Princess, her novices, and Lady Rowena fly to him for refuge from the villain who is trying to carry off the fair Rowena. A duel is fought between the two lovers, for Rowena’s hand, and Sir Guy is the victor. In the third act, Sir Guy still thinks himself back in the middle ages and frightens every one in the castle before he finally comes to his senses. He and Wittle plan to keep up the illusion to prove that Sir Brian is a coward and a cheat. Sir Guy demands that Sir Brian fight a duel with him, but the villain escapes. Sir Guy proves that Sir Brian is a cheat and several other doubtful schemes come to light. Rowena renounces Sir Brian along with the good old days and rewards Sir Guy by declaring him her only true Knight.

The play was well coached by Mr. Mulligan aided by Mr. Mills. The Senior class wish to thank them for their work and also Miss Towne and Miss O’Sullivan who were our faithful chaperons. Coaches, chaperons, and cast made such a pleasant group that the rehearsals will long be remembered as some of the most enjoyable days of the Senior year.

THE third time must be a charm in everything. It surely was in the case of the road-show. This year the show was given under the auspices of the Cadet Officers Club. Some were a bit dubious as to how well this organization could handle so large and so important a thing as a road-show. Well, they got away with it, not only having a better show than ever before, but also making more money than was ever before taken in. Nine hundred and some odd dollars was taken in, and seven hundred and fifty dollars was recognized as clear profit. The first act of the performance was purely military. A splendid exhibition of "Butt's Manual" was given by a number of picked cadets. Every one of these men deserve great credit, for the drill went through without a single hitch. When the curtain went up on the second act, it revealed four singing Beau Brummels. With a little study, the audience soon recognized the school's popular quartette hidden behind the grease paint and properly garbed in dress suits. Each man on the quartette won fame for himself by rendering a very good solo. Floyd Paynter, Eugene Maxwell, Raymond Sage, and William Alley are the members of this quartette. Louis Frieberg, Sol Rosenblatt, and Winifred Travis next held down the boards. They presented a very comical little playlet. Dwight Chase succeeded in getting hearty laughter from every one with his clever negro songs and his wondrous way of giving them. "Hap" Pearson, followed closely by his shoes, came on next. "Hap" is always funny when he tries to be, but in the road-show, he was a scream. His Swedish dialect, jokes, and quaint humor won him great applause. Dan Klein was next the center of attraction. With his disappearing handkerchiefs, appearing flowers, and other tricks of magic, he mystified every one there. One of the members of a preceding act overheard an interested spectator say, "What's the use of paying a dollar or more to see Thurston when you can see one here just as good?" "Wahoo" was the name of the Rube act which followed this. "Bob" Buckingham came forth with all of his great supply of fun. He was ably assisted by William Boyer, Richard Brady, Gladys Putman and Phyllis Hunter. By a rapid change of costumes, "Buck" was again able to star in the dancing act that followed. Bob as a black face was ably assisted by Rudyard Norton, Walle Shephard, Don Shephard. Ellison Vinsonhaler, George Eychaner and Phyllis Hunter made up a dandy orchestra. Sydney Robinson and Arthur Burnham appeared next in an act crammed full of wit and humor. They were regular comedians and they made a great success for themselves. "The Man From Brandon," was a clever play that was far from depressing. That is, it was full of fun. Every one in the play made a great success and every one played his part in a talented way. Warren Ege, Paul Nicholson, Edwin Winterton, Elizabeth Perrigo, Francis Cleland, Marguerite McWilliams, and Isabel Pearsall were the members of the cast. Taken as a whole, the show was a great success in every way and much praise is due to Manager Gulgard, and all those who so willingly gave their time and talent.

Who Equip Themselves for Responsible Positions by Well-Directed Home Study

Modern Electric Lighting assists greatly to promote home study with the least strain to the eyes.

The clear, attractive illumination provided by Electric Lighting is an invitation to self-improvement.

Two or Three Cents a Night spent for efficient lighting in the home may cause your boy to fit himself for a highly-paid profession.

Let us tell you about the modern way of wiring a home—no matter how long ago it may have been built—does not damage walls or floors or interfere in any way with household routine.

Omaha Electric Light & Power Company
BACHELORS
(In which we will endeavor to prove that all who call themselves Bachelors are not really so.)

Just one by one we’ll take these men
Who all year long have escaped our pen;
Just let’s consider the five and ten
Who really believe they are Bachelor men.

First let’s take Alley, a man of small fame;
Right here we’ll admit he’s awfully tame,
A wild man never, and no “Ruthless” chap
With a Ruth down in Lincoln, and up here Ruth K.

Then dear little “Bummy,” Miss Paxson’s one care,
A beautiful person, and goodness, how fair;
Booth spreads round his favors, as all men must grant
From Miss Charliene J, to Winfred B.

Third happy Frank Campbell, a man little known.
Who turns tears to laughter, who’s never alone:
Of Omaha High School, Frank’s a lover and puller
And outside of school, well, he likes Mary F.

Fourth on our roll-book, our warbler, Dwight Chase,
A man who in “tussing,” sure sets a fast pace:
On nice Sunday mornings he sings of the Jordon
And Sunday P. M. he calls on Ruth G.

Fifth we have Owen, a man of few words,
Comp claims he’s no “tusser,” how very absurd;
A wholesome regard he has for the truth,
And a tender regard for Marion B.

Sixth Charlie Crow, quite a bird of a man,
Who on all the ladies had put a sharp ban,
He declared with a vim, “All women are liars,”
He soon met his doom, he met Katherine S.

And seventh, O sculus, just what dare we write
‘Bout our Senior Class President, a red-head of might;
He’s one of the men we had hoped to slam well
But no, we fear Almanze C.
Now eighth on our list is a man of such note
That he crossed off all about him we wrote;
He runs this old paper and has all the say.
So guess there's no chance.—It's a very nice day.

And ninth is another whose presence we fear
Will make it quite hard to make anything clear;
As I write these few lines, many books he is pitchin'.
I'm afraid I can't write about Dorothy H.

Tenth in “Swede” Holmquist a real man we see,
Who forever is betting on Company “G.”
He's traversed the world over from Benson to Hastings
But there's no place like home when it's Catherine H.

Eleventh we have the pride of our club
As fast as a fish pole, as strong as a cub:
On “Skinny” Moore's coat we found auburn locks
Which proved to belong to Cecelia P.

Twelfth “Chuck” Morearty, our athletic star,
In football he's noted 'cause he can run far
And yet run so fast he can hardly be seen
By anyone watching but Virginia G.

And thirteenth another, a young man named Paul,
Sometimes called Nick but that is not all;
In Regimental Parade his voice is some Barker.
But it's tender and low to pretty Ruth P.

Fourteenth “Jimmy” Williamson, a maker of art,
Who holds that pleasure's the whim of his heart
In automobiles he is always a-racin' or
Else he is calling on Miss Ethel W.

And last, but not least, is a man who we know
Is the only real bachelor on this world below;
Did I hear someone say, “Ed was not ever that”?
Not long will he be, if this don't start a fuss.

P. S.—If you don't like this little rhyme,
It's too bad,
It's taken up most all my time,
Now ain't that sad.

“Our Papa was the goodest man,
Had his surance on the income plan.
Whatever plan that plan may be,
That’s how Mamma keeps Bess and me.
Our Papa’s gone, was sick and died.
They took him away, Mamma cried.
Now each month Mamma says he
Sends a message to Bess and me.
Sends it on the income plan.
Our Papa was the goodest man!

“Our Papa was the goodest man.
Sends a message on the income plan.
Don’t know what the message can be.
For Mamma holds both Bess and me.
When it comes, and though she tries,
She don’t laugh, but smiles and cries.
She kisses us and says with tears,
“I’ve no fear for your tender years.
You’re protect’d by the income plan.”
Our Papa was the goodest man!”

Business Is Normal!

There is no better ballast for keeping the mind steady
on its keel, and saving it from all risk of crankiness, than
business—

These words were written by that great American, James
Russell Lowell, and are particularly apropos just now—

Business at this store is normal. Ready to serve you

CONSIDERED from any point—Style, Fabric, Price or Fit—you will never get better garments than those bearing the Nicoll label.

We pride ourselves on knowing how to adapt the style and cut of our garments to the figure of the man who is to wear them. Many tailors fail in this.

THE SELECTION OF AN OCCUPATION

The training and discipline which come through experience in a Central Office of the Nebraska Telephone Company are of great value in the home. Precision, orderliness, courtesy, and even economy become habits of mind. Gentleness and similar womanly graces are essential to becoming a successful exchange operator; modesty is protected, ambition stimulated, and a girl who has taken advantage of her opportunities after a few years not only has achieved a well-paid position of dignity and importance, but has qualified herself in a high degree for any station in life to which she may aspire.
The Boy or Girl

who desires a higher education must be ambitious and have the grit to overcome all difficulties. The greatest difficulty is the securing of funds necessary to complete this education.

This Association furnishes the opportunity whereby you may save the money required for your college education. Save systematically and in a few years your education is secure.

Five dollars per month, deposited with this Association, will in about ten years amount to $1,000.00.

Call and get particulars.

Whoever runs an automobile can appreciate having a can in the car for cleaning greasy hands on the road.

The Bell System—What It Is

Years ago, before telephone communication was practicable beyond local service, this company and other telephone companies started; each in a certain territory.

When telephone communication became possible beyond state boundaries and for considerable distances we connected our lines with those of the companies operating in neighboring states.

These connected companies, with the American Telephone and Telegraph Company, now form a nation-wide telephone organization known as the Bell System.

There are now nearly 10,000,000 telephones in the United States, or more than half of all the telephones in the world, connected with the companies comprising the Bell System.

No Magic in Being Well Dressed

It’s just as easy for the young man or young miss to dress in a superior way as it is to look commonplace.

It’s largely a matter of selecting your clothes headquarters with discretion. You may be always sure of dash and modishness if you select from our complete and varied showing of clothes for young men and women.

Not only are these student clothes cleverly styled to the taste of schooldom, but they are priced sympathetically to the buying habits of the parents.

When you’re passing, drop in and let us "show you."

Important Reasons Why You Should Have The Paterson “Six”

1. There is no classier car on the market.
2. There is no better material placed in any car than in the Paterson.
3. Every part in the car is standard.
4. It has as much power as any car on the market regardless of the price, and is remarkable for ease and comfort in handling and riding.
5. An examination of parts used will convince you of its superiority over all other cars of its class in stability and durability.
6. It will go one mile or fifty-five miles per hour on high gear.
7. The carburetor sets high on block. The gas passes through water jackets and is super-heated, which gives superior mileage, and insures perfect hitting of all cylinders, and will go 18 to 24 miles per gallon of gasoline.
8. We believe we can give a better demonstration than any car on the market.
9. We handle a full line of repairs and give first-class service.
10. This car has been built for ten years by the Paterson Buggy Company, and is not an experiment. It has proven a wonderful success.
11. The Paterson Six weighs 2,700 pounds. To prove our statements let us demonstrate to you.

My Best

Four long years have passed away
Long years of toil, long years of joy;
And have I spent those years aright
Have I run the course and fought the fight
That I can say, "With all my might
I've strove to make these four years pay?"

This few can say, but each can do
His very best, that from this hour
Not one but that can truly say
As his small part he lives each day,
"I've tried my best to make it pay,
I've done the best that I can do."
